

R. Danny Huntington

Member

Described as "a great lawyer" (Chambers & Partners client interview, 2015) and "among the best and most knowledgeable patent practitioners in the United States" (IAM Patent 1000 2015), R. Danny Huntington is a former chemist for The Gillette Research Institute. He is involved in all phases of intellectual property law, including United States and foreign patent prosecution; litigation in the federal and state courts; licensing; and general client counseling. He has extensive patent interference experience, with particular experience in biotechnology and pharmaceuticals.
